

J.P.Morgan

Link Market Services partners with J.P.Morgan to deliver unit registry services in A&NZ

8 March 2016 – In order to provide a comprehensive unit registry solution to J.P. Morgan's Asset Manager Clients, which includes full retail unit registry capabilities, J.P. Morgan and Link Market Services (Link) have partnered to provide unit registry services in Australia and New Zealand.

J.P. Morgan and Link will continue to provide enhanced Unit Registry services supporting retail and wholesale product requirements; investor, advisor and platform interactions; data channels and full web capabilities.

Existing J.P. Morgan unit registry clients are transitioning to Link with completion expected by the end of 2016.

About Link Group (www.linkgroup.com)

Link Group's market leading platforms administer financial ownership data for over 2,300 clients globally and driver user engagement through technology. Underpinned by our investment in technology, people and processes, we deliver comprehensive data and information solutions for companies, large asset owners and trustees across the globe.

Link Group's Corporate Markets division provides a comprehensive offering to listed companies and unlisted trusts. Our services connect issuers with their stakeholders, and include holder management and analytics, stakeholder engagement, share and unit registry, employee share plans, and company secretarial services.
