

Your chance to gain
real-world exposure
through the Link Group
Graduate Program
with a market leader
in Superannuation
and Corporate Markets

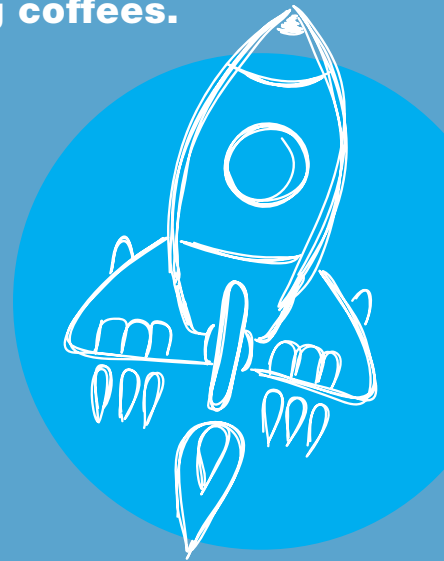

A young woman with long, wavy brown hair and a bright smile, wearing a white button-down shirt. She is positioned on the right side of the image, with her arms crossed at the bottom. The background is a blurred office setting.

Link Group Graduate Program 2018

Let's work together....

And by work, we mean actual work.

No photocopying or fetching coffees.

As part of the Link Group Graduate Program, you'll get exposure to decision making, cutting-edge projects, making a positive impact to our clients, technology

development and much more. You'll be a vital part of our business, making a real contribution to our success and our valued clients. Show us what you can do.

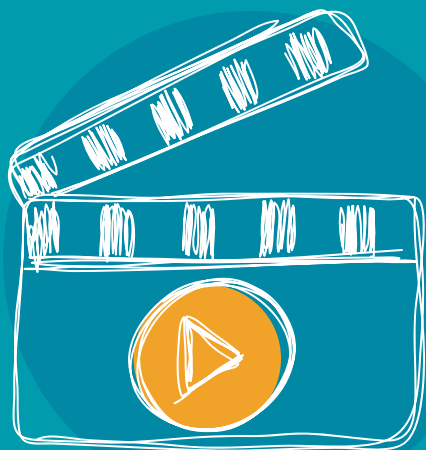

About | tuodA you | zu

You're not afraid to bring the **bold concepts**, the *fresh perspectives* and the **out of the box thinking** that turn good ideas into great ones.

You also want to learn how an unbeatable sales strategy is central to success not just for the business, but for clients who need the best products and services to stay ahead of the pack.

Link Group is recognised as the market leader in providing technology-enabled solutions across Superannuation and Corporate Markets, two of the fastest growing and competitive financial services industries worldwide.

We're renowned for being fast-paced, dynamic and passionate about the way we create solutions for our clients around the globe – and we like to have a little fun along the way!

What can you expect?

Well, where to start? Here's just a few of the benefits that make our program a life-changing experience for Graduates:

Work on challenging financial services projects in a highly professional corporate environment

Direct access to our valued clients to see how they operate – and how we work with them

Regular exposure to senior leaders across our business

Tailored development program to enhance your learning experience

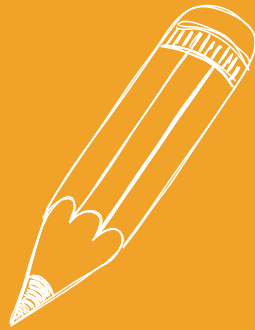

Buddy program to support you throughout your placement

Obtain stakeholder engagement and communications skills internally and externally and at different levels of the business

Real-world experience to get your career off to a flying start!
